The image displays four sequential screenshots of the !hobgoblin website interface, illustrating its evolution and interactive features. Each screenshot shows a browser window with the title '!hobgoblin' and a control panel at the bottom.

Control Panel:

- simple (slider)
- pragmatic (slider)
- real (slider)
- container (slider)
- expressive (slider)
- artistic (slider)
- virtual (slider)
- object (slider)
- 0 visits (visit counter)
- ::restart:: (button)
- add (button)
- z (button)

Website Content:

- Screenshot 1:** Features a 'meso' logo, a 'KUNST' logo, and a 'simple' slider.
- Screenshot 2:** Adds a 'DDC' logo, a 'powered by' tag, and a '1 visit' counter.
- Screenshot 3:** Introduces a 'Hi' character, a 'CC' logo, and a '2 visits' counter.
- Screenshot 4:** Shows a 'needWEB' logo, a 'press coverage' section, and a '2 visits' counter.
